Football Zajedno

The fairplay Initiative, the football associations of Bosnia and Herzegovina, Montenegro and Serbia have started the joint project Football Zajedno, which aims to promote equality and non-discrimination. Football Zajedno will use the popularity of football as a medium for intercultural dialogue and the promotion of human rights and social inclusion. A focus is on the empowerment of disadvantaged groups and enhancing the equal participation of girls and women in and through football.

Football Zajedno brings together relevant stakeholders such as NGOs, minority groups, grassroots initiatives and football clubs and associations from the partner countries.

Inicijativa "fairplay", nogometni savezi Bosne i Hercegovine, Crne Gore i Srbije osnovali su zajednički projekat Football Zajedno koji je posvećen promovisanju jednakosti i nediskriminacije. Football Zajedno želi da koristi popularnost nogometa kao medij međunarodnog dijaloga i promovisanja ljudskih prava i društvene inkluzije. Fokus projekta leži na osnaživanju grupe koje se nalaze u nepovolnjem položaju te unaprijedivanje jednakih participacija djevojčica i žena u nogometu i kroz nogometni sport.

Football Zajedno spaja relevantne aktere poput nevladinih organizacija, manjina, "grassroot"-inicijativa te nogometnih klubova i saveza iz partnerskih zemalja.
